Non-Traditional Credit Worksheet

Print as many copies needed, if additional space is required. Do not report non-traditional courses for credit until the student has accumulated the minimum number of hours. For one-half credit the student should complete 60-75 hours. One credit will be 120-150 hours of completion. Tracking hours is the responsibility of the parent. CCS does not track hours. Use a separate form for each course.

Student's Name	Student's Address

Current School Year: _____ (ex: 2012/13) Semester: _____ (ex: first or second – end of year)

Course Name: _____

Community Volunteer Community Service/Work Experience Supervisor Information:

Company Name: _____
