Non-Traditional Credit Worksheet

Print as many copies needed, if additional space is required. Do not report non-traditional courses for credit until the student has accumulated the minimum number of hours. For one-half credit the student should complete 60-75 hours. One credit will be 120-150 hours of completion. Tracking hours is the responsibility of the parent. CCS does not track hours. Use a separate form for each course.

Student's Name	Student's Address

Current School Year: _____ **(ex: 2012/13) Semester:** _____ **(ex: first or second – end of year)**

Course Name: _____

Community Volunteer Community Service/Work Experience Supervisor Information:

Company Name: _____

Supervisor's Name: _____

Supervisor's Telephone Number: _____

Description (Date – Practice, for example)	Amount of Time (example: 45 minutes)

Total Number of Hours (60-75 hours for one-half credit or 120-150 hours for one credit – Do not report until these minimums are met) →
